

Revision Tutorial Mathematics for Economists (MSc)

Ludwig-Maximilians-Universität München - Department of Economics

Summer Term 2014

Instructor

Matthias Fahn (matthias.fahn@econ.lmu.de)

Overview

This revision tutorial is solely intended for those who failed the exam in Mathematics for Economists (MSc) and want to write it in this term. The content is identical to the tutorial in the winter term 2013/14, i.e., we will just solve the old problem sets. In particular, we will not provide additional material and not discuss last term's exam.
